Idaho Governor's Office of Energy Resources

## Governor Proclaims October to be Energy Awareness Month for 2014

On Tuesday, Governor C.L. "Butch" Otter declared October "Energy Awareness Month" in Idaho. The Governor's proclamation highlights how energy is directly linked to Idaho's economy, and the role that the various energy sources play in the lives of Idahoans. To view the 2014 Energy Awareness Proclamation, please visit the Governor's Web site at [www.gov.idaho.gov](http://www.gov.idaho.gov).

"Energy Awareness Month is a great opportunity to remind Idahoans that energy, natural resources, the environment and the economy are intertwined," Governor Otter said. "That is why Energy Awareness Month is the perfect opportunity to highlight the actions Idaho citizens and businesses are taking to save energy, save money, and improve our economy and the environment."

To learn more about 2014 Energy Awareness Month, please contact the Idaho Governor's Office of Energy Resources at 208-332-1660 or visit the OER Web site at [www.energy.idaho.gov](http://www.energy.idaho.gov).
