## **2016 Idaho Awards for Leadership in Energy Efficiency – Application Period to Close Soon**

Applications for the 2016 Idaho Awards for Leadership in Energy Efficiency are due by Friday, September 2, 2016. These awards acknowledge Idaho companies exhibiting leadership in implementing energy efficiency at their local facilities/buildings for projects that occurred during calendar year 2015.

To qualify for the Industrial Awards, facility operations must fall under the North American Industry Classification System 31-33 or Standard Industrial Codes 20-39. To qualify for the Commercial Awards, the organization must utilize a building for commercial purposes, which does not include buildings used for residential, manufacturing/industrial, or agricultural purposes. A list of eligible building uses (grocery, retail, etc.) can be found on OER's website.

To apply for an award recognizing your energy efficiency project(s), please contact the OER at 208-332-1660 or visit our website at [www.energy.idaho.gov](http://www.energy.idaho.gov). Applications are due by 5 p.m. on Friday, September 2, 2016.
